Edit or Manage your account

- Login to Xcitium <https://enterprise.platform.xcitium.com/>
- Click 'Management' > 'Account Management'
- The interface will open at the 'Account Details' tab by default:
- The account details page lets you edit company information and personalize your reports.

- Edit details about your company, including name, contact email
- Select the country and state from the drop-down list
- Add an address and phone number for the further contact
- Enter your unique identification VAT number in the given text field
- Click 'Save Changes' to apply your modification

Customize company logo

- Click 'Management' > 'Account'
- Click the 'Upload' button then browse to the image file you need to use. Images should be in .png or .jpg format with a resolution of 160x120px

Logo

Choose files to upload

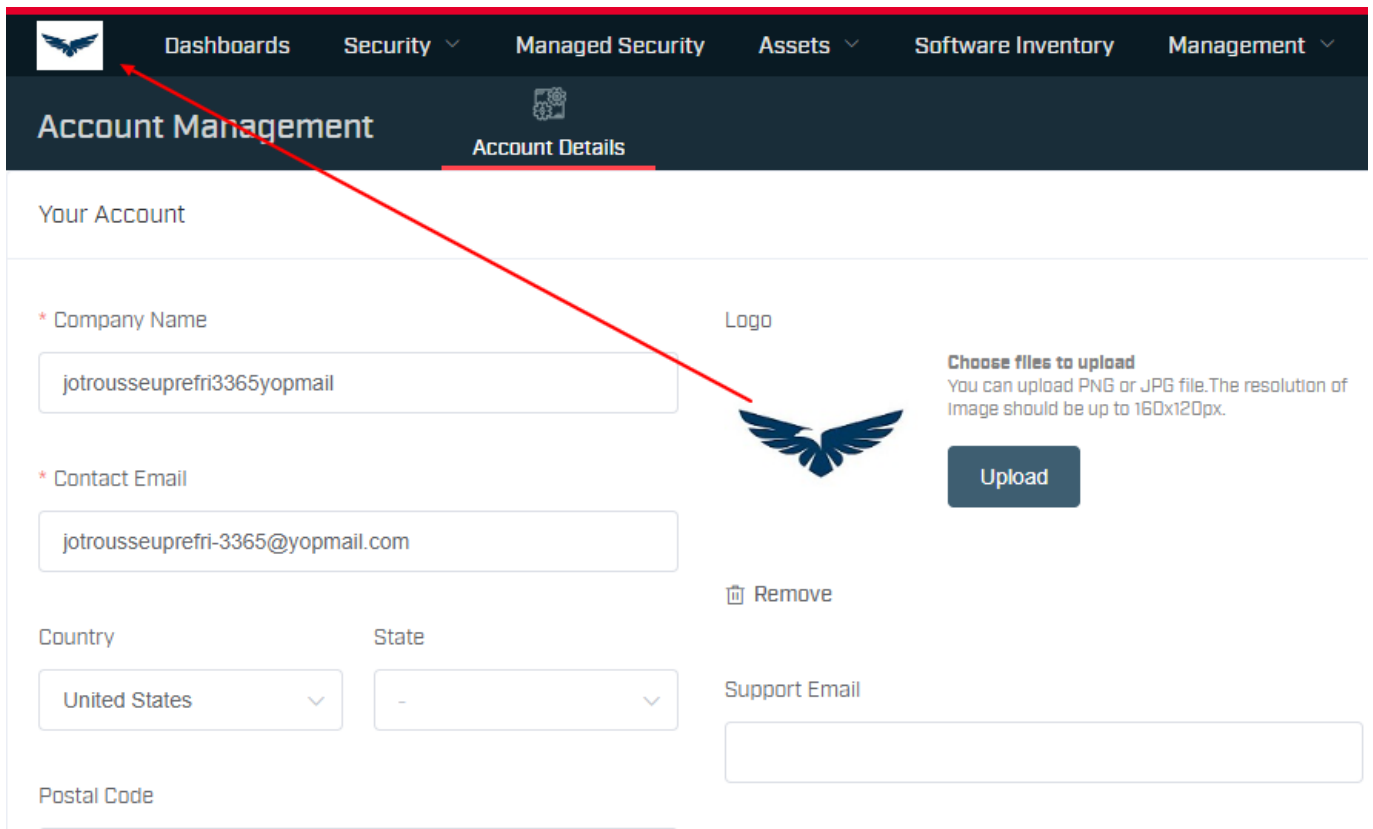

You can upload PNG or JPG file. The resolution of image should be up to 160x120px.

Upload

Support Email

Support Phone Number

- Click 'Remove' to delete the uploaded images
- Enter your support email and phone number in the respective fields
- If the logo field is empty the Xcitium Platform logo will be shown with your added company name.
- Click 'Save Changes' to update your company logo. The added logo will be reflected in the account

The screenshot shows the 'Account Management' page in a web application. At the top, there is a navigation bar with a logo and menu items: Dashboards, Security, Managed Security, Assets, Software Inventory, and Management. Below this is a sub-header 'Account Management' with 'Account Details' selected. The main content area is titled 'Your Account' and contains several form fields: 'Company Name' (filled with 'jotrousseuprefri3365yopmail'), 'Contact Email' (filled with 'jotrousseuprefri-3365@yopmail.com'), 'Country' (dropdown menu with 'United States'), 'State' (dropdown menu with '-'), and 'Postal Code' (empty). To the right of the 'Company Name' field is a 'Logo' section with a placeholder image of a blue winged figure, an 'Upload' button, and a 'Remove' button. A red arrow points from the 'Remove' button in the screenshot to the 'Upload' button in the top image. Text instructions for logo upload are also present in both images.

Customize reports

Xcitium Platform reports contain a logo in the header and support/contact details in the footer. This section lets you provide the logo and support details shown in these reports.

- The Xcitium Enterprise logo should be switched with your uploaded company logo. The Xcitium Platform logo is shown on reports if you don't upload your own
- All reports should include your company logo. (it should be added to all pdf reports under the "Managed Security -> Reporting" section). Previously generated reports are not going to be changed.
- If any of the fields is empty, it should not be shown. If all of the address fields are empty, nothing will be shown. The footer is blank if you don't supply support/contact details

Click 'Save Changes' to reflect your changes. You will get a success message that your company successfully.
